

NOR'EAST CHAPTER, TROUT UNLIMITED - MEETING MINUTES

TUESDAY, SEPTEMBER 8, 2026
6:00 PM – 9:30 PM
MEETING TO BE HELD IN PERSON AT IRWA'S RIVERBEND HEADQUARTERS, IPSWICH MA

ZOOM MEETING LINK:
https://us02web.zoom.us/j/82812810907?pwd=ggfaiOaEtZ4ckJjXc22JiTV8QIwVLx.1

6:00 Pizza and Chicken Ziti from Ipswich House of Pizza

7:00: Meeting called to order. A quorum was present. 12 members, including 10 Board members. Ben Meade, Bill MacDavitt, AJ Strub, Fred Jennings, Peter Vandermeulen, Randy Williams, Floyd Maker, Miles Cobb, Josh Rownd, Laurie Hagar, Carl Soderland and Neil Shea (by Zoom).

1. May 12, 2026 had no minutes.

2. APPROVAL OF TREASURER'S REPORT:
Peter reported there is approximately $34,000 in the account. No significant change. As of July 30, Fred is now on the account at Citizen's Bank. Per the previous meeting, as of this meeting Fred is officially the Treasurer. Ben praised, as did the rest of the Board present, Peter for his years of dedicated service to the Chapter.

3. FUNDING/REIMBURSEMENT REQUESTS/UPCOMING ANTICIPATED EXPENDITURES:
a. $250 honorarium to be paid to Dick for his playing the guitar at the Banquet. Carl moved to approve this payment. Fred seconded. No further discussion. Motion passed.

b. IRWA has requested $10,000 for the Willowdale fish ladder. The construction bids received were quite a bit higher than the estimated costs. IRWA is looking at ways to reduce the costs and to increase financial support elsewhere. See further comments below.

4. WEBSITE REVAMP UPDATE
The cost of monthly maintenance was discussed again. Our current agreement is approximately $1,500/year or $130/month. We're to revisit the agreement. It was agreed that we need a better solution.

5. DISCUSSION – CHAPTER COMMUNICATION:
Laurie agreed to help. She will reach out to Ben Shea.

6. DISCUSSION – PAST/UPCOMING CHAPTER MEETINGS
The speaker's honorarium is $250. Suggestions for speakers for October onward are welcome!

11. CONSERVATION COMMITTEE REPORT Information only, no report.

- **Conservation Committee:** Carl stated they will meet this Fall.
- **eDNA project:** Miles Cobb reported that last year 25 spots were studied. This year it will be more focused. Saw Mill, Cobbler, Ox Paster to be included. Need to submit for the MATU grant again.
- **Larkin Dam removal:** Neil Shea reported. The dam was removed last November. Water quality monitoring, planting started in the fall, witnessed fish in the Spring, beaver activity.

- **Parker River:** Neil Shea reported. The DMF is conducting a feasibility study at the dam at Wooten Mills (Central Street).
- **Ipswich Mills Dam:** Neil Shea reported. A noticing error sent the process back to the Conservation Committee. It is being appealed again which will bog down the process in District Court. Meantime, other permits are being applied for.
- **Willowdale Dam Natural Fish Bypass are in permitting:** Neil Shea reported. The budget estimate was $1.6M, the low bid was $3.2M. The project is paused for fundraising.
- **Mill River Herring Count:** Ben Meade reported. The herring run was very heavy this year. He will be sending the findings to Joe at the DMF. The counting board as removed, cleaned and stored for next Spring.
- **Willowdale Dam Fishway board adjustment/cleanout/herring count.** No update.
- **Project Voldemort:** Sawmill Creek and Cat Brook in Manchester. Carl updated trying to get 3 areas tested. The housing project is still moving forward.
- **Other project updates or potential projects:** Neil Shea reported. IRWA is conducting additional fish surveys. Electro fishing occurring on the Ipswich and its tributaries.

12. MISC – OTHER TOPICS/OPEN DISCUSSION No discussion.

13. ADJOURNMENT. 8:40. NEXT CHAPTER MEETING: TUESDAY, SEPTEMBER 13, 2026 AT RIVERBEND.

14. List of Chapter Activities/Involvement/Contributions, As Recently Assembled by Ben Meade

- **NETU members funded and completed an eDNA study of streams and rivers throughout Essex County in spring, 2025.**
- **NETU members contributed financial support and pro-bono professional expertise for three major culvert replacement projects to aid migratory fish in Ipswich River tributaries over the last 10 years.**
- **NETU members organize a herring count at the Willowdale Dam location on the Ipswich River every spring.**
- **NETU members help to keep a fishway operating properly and free of debris during the spring herring migration season at the Willowdale Dam on the Ipswich River.**
- **NETU members participate in the Ipswich River Watershed Association herring count at the Ipswich Mills Dam on the Ipswich River every spring.**
- **NETU members participate in the Shawsheen River herring count every spring in Andover.**
- **NETU members organize a herring count on the Mill River in Rowley every spring, and provide our data to the state's Division of Ecological Restoration and Division of Marine Fisheries. This is the only herring count on the Mill River, an important tributary of the Parker River.**
- **NETU members conduct periodic stream cleanups on the banks of the Mill River in Rowley and Newbury.**

- **NETU members conducted a multi-year study on water quality and invertebrate insects on the Mill River in Rowley, and involved Governor's Academy students in the process.**

- **NETU members help to keep a fishway operating properly and free of debris during the spring herring migration season at the Larkin Dam on the Parker River in Newbury.**

- **NETU members are involved with a watershed-wide water sampling effort being organized by the Merrimack River Watershed Council on the Shawsheen River.**

- **NETU members are working with several other non-profits to monitor small streams on the North Shore for the presence/absence of sea run brook trout, river herring, and American eel.**

- **NETU members participate in stream and/or beach cleanups throughout the region when asked, and help publicize these events for the other organizations that run them.**

- **NETU members also provide volunteer time/expertise, funding or letters of support for specific projects when needed or asked.**
